Superb place for destination wedding.

And if you have any event management company associated then it will be rocking combo. Good and supportive staff. Have exotic places for each ceremony within marriage event. Quite clean and luxurious.

Nice place for destination wedding.

Good management. Had good stay. Following suggestions: Need changing rooms for ladies. Some of single bed provided were defective.

Perfect for destination wedding.

Came here for a wedding. The rooms are decent and service was good. We had a pleasant stay. Rooms can be a little more spacious. Felt a little cramped for 2 double beds.

Highly recommend for Weddings.

We attended the wedding event. It's very nice place having lots of different venue to have variety. We will come again in 2025 for school friends get together to this venue.
